INTRODUCTION

Under TDAP Act, the major activities mandated to TDAP are:

1. To plan, organize exhibitions, delegations to and from Pakistan
2. To plan and organize local, international and inter-provincial export promotional conferences, workshops and seminars.
3. To plan and organize foreign trade promotion through advertising in foreign and local print, electronic and other appropriate media

SPECIAL PROJECT

Sr No.	Name of the Event	Dates	Venue
1	Road Shows in China	To be decided by MoC	China

OUTGOING DELEGATIONS (PRODUCT DIVISIONS)

Sr. No	Country	Product / Sector	Expected No of Delegates	Rationale
Engineering & Minerals Division				
1	Argentina & Brazil	Sports Goods	10	It was already approved in ABP 2022-23 but recently it was again requested by PSGMEA to be executed in Sep. 2023. Moreover, both Brazil and Argentina are potential markets for sports goods.
2	UK & France	Sports Goods	15	Substantial market potential and respective markets already being catered by Pakistan Sports Goods companies.
3	Afghanistan	Agriculture Machinery	10	Delegation is being proposed for attending exhibition that is being organized by Afghanistan Chamber of Commerce and Investment. (6 – 12 July, Kabul).
4	Tanzania	Agriculture Machinery	10	Strongly requested by exporters and manufacturers of Agriculture machinery and to cater the African market.
5	Germany	Auto Parts	8	Association has recommended the Agri- Tech exhibition, which is one of the most relevant and important event for Auto parts sector of Pakistan. Due to the paucity of time for space reservation and visas issues, delegation has been proposed instead of attending the exhibition.

6	Qatar	Furniture	8	Qatar is one of the Pakistan's major furniture exports destinations. The association views that Pakistan can further penetrated and easily expand its furniture business in the market.
7	Kazakhstan	Furniture	8	Kazakhstan depends on import of furniture from the world. This market is also accessible to Pakistan via land route of Afghanistan. Therefore, there is the need to develop business links for furniture sector. Subsequently, trade delegation can yield fruitful results.
8	Uzbekistan	Pharmaceuticals	8	CARs is the major market for pharmaceutical where India has not yet approached, it's an opportunity to fulfil the demand of CARs to enhance exports.
9	Morocco & Algeria	Pharmaceuticals	7	Morocco is francophone country where presence of Pakistani firms is very rare, it's an opportunity to visit the Country & may get the fruitful knowledge related to product registration.
10	Iraq	Electrical Machinery	5	Delegation is linked with the exhibition in Basra Oil & Gas, Oct.17,2023 - Oct 19 ,2023. SSGCL has also requested for the participation in the said exhibition.
11	Malaysia	Cosmetics	6	Malaysia is the main market for halal products of Cosmetics, the delegation will learn many new techniques related to halal production of Cosmetics sector for enhancing indigenous production.
12	USA	Gem Stones & Marbles	15	USA is the main market for Gems & Jewelry sector. It is linked with the TUSCAN Exhibition.

13	USA	Construction Materials	5	Based on output of webinars and B2Bs conducted last year, North America is a potential market for many construction materials of Pakistan (Pre-fabricated sheets, Kitchen closets, floorings).
14	KSA	Construction Materials	7	Considering the construction boom in KSA, delegation should be sent for securing more opportunities.
15	Canada	Surgical Instruments	9	Canada is a growing market and becoming multicultural country with lots of opportunities for surgical sector. Moreover, Canada's surgical imports are increasing and this visit will certainly bring fruitful result for our surgical exporters.
16	China	Surgical Instruments	9	China alone has great potential for our surgical instruments exports as well as for joint ventures.
17	Canada	Packaging	10	Canada is the top Sixth importing market of Packaging and one of the major export destination of Pakistan's packaging sector. TDAP has successfully arranged B2B meetings for the sector in past. Moreover, facilitation in terms of a delegation has been requested from the sector's association and exporters. The Delegation will be formed on sidelines of Sial Canada (April-May 2024) as it has potential packaging buyers from all over the world and it supports the sector's integration in GVC's
18	Nepal	Paint, coatings, inks, resins and chemicals	10	It is proposed by Pakistan Costing Association, and also it is a potential market for future trade
19	Central Asian Republic	Paint, coatings, inks, resins and chemicals	10	It is proposed by Pakistan Costing Association, and also it is a potential market for future trade

Textile & Leather Division				
20	China	Footwear	10	Pakistan's leather footwear has the major potential market of the Guangzhou and adjacent region of China. This delegation has been recommended by PFMA
21	France, Netherlands, Belgium and Poland	Apparel, gloves	10	To cater the market of Central Europe
22	Denmark & Finland	Sportswear	10	Nordic Countries have great potential of Pakistan's sportswear goods. Recently, few Pakistani companies have started penetration in the said region. Therefore, a delegation for this region will help in maturing the Pakistan's presence in Nordic region
Services Division				
23	USA	IT/ITeS	15	To cater the services sector exports in the region.
24	Canada	IT/ITeS	15	To cater the services sector exports in the region.
25	Australia	IT/ITeS	20	To cater the services sector exports in the region.
26	Asia Pacific	IT/ITeS	20	To cater the services sector exports in the region.
27	Hong Kong	IT/ITeS	30	To cater the services sector exports in the region.
Agro & Food Division				
28	Indonesia & Vietnam	Meat / Fruits and Vegetables	10	Recommended by Fruits and Vegetables Exporters Association

29	Uzbekistan	Meat / Rice	10	Recommended by REAP & Meat association
30	Jordan	Meat / Rice	10	Recommended by respective associations. Moreover, it will help in expanding the Pakistan's meat & rice exports in African market under look Africa Policy.
31	Philippines	Fruits and Vegetables	10	Recommended by PFVA
32	UK	Fresh Dates	5	To enhance the export of value added products in UK market.
33	Turkey	Rice / Dates	10	To enhance the export of value added products in Turkey market.
34	Germany	Fresh Dates	5	To enhance the export of value added products in Germany
35	Yemen	Rice / Potatoes / Meat	10	Yemen has untapped potential of rice and meat. Therefore, a delegation in this region will help in developing the business linkages for the rice & meat sector in Yemen market.
International Markets Development Division (IMDD)				
36	Belarus	General	10	Recommended by MoC as reciprocate to Belarus delegation to Pakistan (held in January, 2023 at Expo Center Karachi) and for market explorations.
