## 1. Introduction to the Study

The Federal Government is facilitating exporters of non-textile sector through provision of drawback on local taxes and levies on the exports. Ministry of Commerce (MOC) is the responsible organization to process of this provision and has notified the order via “**SRO. 711(I)/2018**”<sup>1</sup>, dated June 8<sup>th</sup>, 2018.

This study analyzes the facility, with the purpose to provide basic information and make the procedures simple enough to understand by exporters easily.

Based on the afore mentioned purpose, this study is divided into three sections. The first section deals with the scope of the scheme by reflecting on the drawback rates being offered under different product categories, detail of tariff lines and non-traditional markets covered under the incentive. Furthermore, the eligibility criteria to avail the incentive, documents required and time period to avail the facility is discussed in the second section. While the third section details procedures to claim the duty drawback under the scheme.

## 2. Scope of the Incentive

The facility provides Drawback on Local Taxes and Levies (DLTL) to the exporters of non-textile sector on exports of specific tariff lines at specified rate. Drawback rates vary across tariff lines, and calculated as percentage of realized export proceeds. Two streams of the rates @3% and @4% are specified under this incentive. The scheme covers **twenty-two chapters and 1,141 tariff lines** in total under PCT. Further bifurcation shows that, **15 chapters and 853 tariff lines** are covered under 3% drawback rate, while **9 chapters and 288 tariff lines** are covered under 4% drawback rate. Number of chapters and tariff lines under each drawback rate are mentioned in the table below.

Drawback Rate	Number of Chapters Covered	Chapters' Code	Number of Tariff Lines Covered
@3%	15	40,42, 64, 73, 74, 76, 82, 84, 85, 87, 89, 90, 94, 95, 96	853
@4%	9	16, 20, 21, 40, 42, 70, 71, 80, 81	288
<b>Total</b>	<b>22<sup>2</sup></b>	20, 21, 40,42, 64, 70, 71, 73, 74, 76, 80, 81, 82, 84, 85, 87, 89, 90, 94, 95, 96	<b>1,141</b>

The list of eligible products under the Pakistan Customs Tariff (PCT) along with the specified drawback rate is provided in *Annexure-I*.

Under the above-mentioned specified rates of duty drawback for each category, the payments are proceeded as under:

- i) 50% of the rate of drawback is provided without condition of increment in the exports.
- ii) Remaining 50% percent of the rate of drawback payment is based on **annual export performance**, where the exporter has to achieve an increase of **10% or more** in exports during the “current financial year as compared to the previous financial year”<sup>3</sup>.

<sup>2</sup> Some products of chapter 40 and 42 are covered under 3% drawback rate, while other products are covered under 4% rate. Therefore, the chapters are counted once.

<sup>3</sup> i.e. exports in the financial year 2018-19 as compared to the financial year 2017-18 or exports in financial year 2019-20 as compared to financial year 2018-19 or in financial year 2020-21 as compared to financial year 2019-20.

- iii) In order to improve the cash flow of exporters, disbursement of the **remaining 50% percent of the rate of drawback on annual** performance is further relaxed and allowed on the **performance during July- December of each year**. This relaxation is subject to submission of a **bank guarantee** that, the exporter shall return the excess amount, in case his annual exports are less than the eligibility criteria stipulated to avail the remaining 50% percent of the rate of drawback payments.
- iv) Further the facility incentivizes the exports of products under the stated categories to the non-traditional markets by allowing **additional 2% drawback rate**. The non-traditional markets consisted of **five regions** including Africa, Latin America, Non-EU European countries, Commonwealth of Independent States and Oceania and comprised of **143 countries**. Number of countries in each region is provided in the table below.

<b>Non-Traditional Markets</b>	<b>Number of Countries.</b>
<b>Africa</b>	58
<b>Latin America</b>	40
<b>Non-EU European countries</b>	8
<b>Commonwealth of Independent States</b>	10
<b>Oceania</b>	27
<b>Total Number of Countries</b>	<b>143</b>

The List of eligible countries in each region is attached at *Annexure-II*.

<b>3. Basic Information about the Incentive</b>	
<b>3.1. Time Period to Avail the Scheme</b>	The facility can be availed for shipments made from <b>July 1<sup>st</sup>, 2018 to June 30<sup>th</sup>, 2021</b> (both days inclusive) from whole of the Pakistan including Export Process Zones (EPZs).
<b>3.2. Who are the Beneficiaries?</b>	Manufacturing cum exporting units and commercial exporters, including sole proprietor, partnership or company can avail the scheme subject to the eligibility criteria mentioned below.
<b>3.3. Eligibility Criteria</b>	i. The exporter should be a <b>registered sole proprietor, partnership or a company</b> having a valid National Tax Number (NTN) and shall be a member of respective association or chamber duly <b>registered</b> with the <b>Directorate General of Trade Organizations (DGTO)</b> .
	ii. The exporters need to furnish data and any information related to <b>its operations, domestic sales, accounts and exports</b> as and when required by the Commerce Division.
	iii. Under the scheme the exports will be calculated on the basis of shipment date, which will determine the transaction year of the exports.
	iv. Drawback claims can only made for those exports, <b>proceeds of which have been fully realized</b> as per foreign exchange rules notified by State Bank of Pakistan (SBP) from time to time. However, <b>the date of realization of exports proceeds has nothing to do in determining</b> the year in which the transaction will be counted. It is the <b>shipment date</b> which determines the transaction year.
	v. The export performance in case of drawback conditioned with 10% increment in exports will be analyzed separately by SBP for each category of eligible products.
<b>3.4. Documents Required</b>	i. Electronic Form-E (EFE)/ E-Form <sup>4</sup>
	ii. Good Declaration (GD)Form <sup>5</sup>
	iii. Copy of Commercial Invoice <sup>6</sup>
	iv. Shipping Documents (MBL <sup>7</sup> /MAWB <sup>8</sup> )
	v. Copy of Freight Invoice

<sup>4</sup> E-Form is issued by the Bank directly to the exporter. The form declares that, the shipment is being processed against the foreign exchange.

<sup>5</sup> GD form is issued by Customs provided details (i.e. Quantity, Unit Price, Payment Terms) about the goods being import of export

<sup>6</sup> The commercial invoice is a record or evidence of the transaction between the exporter and the importer. Once the goods are available, the exporter issues a commercial invoice to the importer in order to charge him for the goods. It contains the basic information on the transaction and it is always required for customs clearance

<sup>7</sup> Master Bill of Lading is issued by main carrier of goods on receipt of goods from a freight forwarder to deliver at destination as per agreed terms.

<sup>8</sup> Master Airway Bill issued by main carrier of goods on receipt of goods from a freight forwarder to deliver at destination as per agreed terms.

	vi. Copy Insurance Invoice <sup>9</sup>
	vii. Copy of certificate from the relevant Association or from Chamber of Commerce as the case may be on the prescribed format provided at <i>Annexure III</i> . The said certificate will be valid for one year from the date of issuance. In a given financial year this certificate may be submitted once.

## 4. Procedures to Claim the Drawback Under the Incentive

To ensure prompt clearance of drawback claims, four separate set of procedures are developed corresponding to the following three different mode of drawback payments.

1. A single set of procedures for those exporters claiming under 50% of the rate of drawback without **condition of increment** in the exports, and **additional 2% drawback for** exports to **non-traditional markets**.
2. For those who claim remaining 50% percent of the rate of drawback on the basis of performance during **July- December of each year** instead of performance in the **financial year**.
3. For those who claim the remaining 50% percent of the rate of drawback based **on annual export performance**, subject increase **of 10% or more** in exports during **current financial year** as compared to the previous financial year.
4. Procedures for EPZs to claims the drawback.

---

<sup>9</sup> The invoice reflects that, the goods are insured through an insurance policy in the event of damages caused by common risk while handling, storing, loading or transporting cargo, but also to other rare risks, such as riots, strikes or terrorism.

#### 4.1. Procedures to Claim Drawback of 50% of the Rate without Condition of Increment & Additional 2% of the Rate for Exports to Non-Traditional Markets.

- i. The eligible exporters can file claims for the incentive with the Authorized Dealer (AD)<sup>10</sup> for eligible products against which export proceeds have been realized on the format provided in *Annexure IV*. Such applications need to be signed and stamped by officer(s) of the claimant who is/are authorized to operate the account of the applicant with the AD. The AD will verify the signatures.
- ii. The AD will scrutinize the claim on First-in First-out (FIFO) basis as per procedure circulated by the SBP. Claims found in order would be submitted by the “Central Hub”<sup>11</sup> of the AD to the relevant office of State Bank of Pakistan - Banking Services Corporations (SBP-BSC) (*list of regional offices provided in Annexure-V*) **in fifteen days** of their receipt under covering letter format provided in *Annexure-VI*.
- iii. If Claims found discrepant, they will be rectified from the claimant by the AD and will be submitted to SBP-BSC in two weeks period from the date of rectification.
- iv. AD will also inform each claimant immediately through separate email along with the detail of their claims lodged with SBP – BSC. Further the discrepancies in claims as communicated by SBP BSC may be shared with respective claimants within **two working days**.
- v. The SBP will scrutinize the claims and release the amount to AD **within thirty days** of the receipt of the claims.
- vi. The AD will credit the amount of claim received from SBP **within twenty-four hours** to the exporters.

<sup>10</sup> Means SBP’s authorized bank nominated by the manufacture-cum-export unit for submission of drawback claims.

<sup>11</sup> Each Bank (Authorized Dealer) will designate a Central Hub in each region corresponding to SBP-BSC offices listed in Annexure-V.

#### 4.2. Procedures to Claim Drawback of Remaining 50% of the Rate, Based on Export Performance During July-December.

- i. Under this provision the claimant can file a claim amount, equal to the sum of all its claims paid or ready for payment under “50% of the rate of drawback without condition of increment” against shipments made during July -December each year.
- ii. Claimant needs to obtain a “**certificate of payment**”<sup>12</sup> from all concerned ADs (given that if claims are made through multiple ADs while claiming under 50% of the rate of drawback without condition of increment). The application for the said certificate can be processed on the format given at *Annexure-VII*. In case of loss of certificate, the word "Duplicate" will be prominently marked in permanent ink at the top of duplicate certificate.
- iii. Following that, all the concerned ADs will then nominate a single AD to whom these certificates of payments in original along with consolidated claim will be submitted on the format provided at *Annexure VIII*.
- iv. The nominated AD will verify the consolidated claim as per the certificates provided by all concerned ADs and forward the same to SBP BSC on *Annexure-IX*. The AD will process the claim within **fifteen days** on FIFO basis from the date of receiving. Discrepant claims will be returned and will be considered as fresh in queue upon resubmission.
- v. Once SBP-BSC informs the AD that submitted claim is found in order and specified amount of fund will be released upon confirmation by the AD regarding bank guarantee arrangement from the claimant. Then the exporter/claimant needs to submit a “**Bank Guarantee in favor of the nominated AD**”<sup>13</sup>. Such guarantee will be kept by AD till finalization of claim submitted under remaining 50% of the rate conditioned with 10% increase in the exports during financial year.
- vi. In case, the 10% or more increment is not achieved, SBP-BSC will debit the account of the AD which in turn will recover the amount from exporter as per Bank Guarantee.
- vii. Upon confirmation of the bank guarantee by the AD, SBP BSC will pay the total amount of claim to the nominated AD for onward credit to the claimant within 24 hours of receipt of such credit.

<sup>12</sup> A certificate issued by the negotiating bank of the exporter, certifying bill covering particular consignments, has been negotiated and that the proceeds received in accordance with exchange control regulations in the approved manner.

<sup>13</sup> Stating that, the amount being paid to the exporter/claimant under this incentive (drawback under Remaining 50% of the rate conditioned with 10% increase in the exports during July-December of each year) will be refunded immediately upon demanded by the AD in case the export/claimant fails to achieve 10% or more increase in exports in any eligible category in performance year over base year.

#### 4.3. Procedures to Claim Drawback of the Remaining 50% of the Rate Based on Annual Export Performance.

- i. To make claims under this provision, data of two financial years would be required. For the purpose to determine the export performance, the data of claims submitted under “50% of the rate of drawback without condition of increment” will be used. The concerned ADs will provide summary of the submitted claims for the performance year on *Annexure-X* to the nominated AD, who will forward the claims to SBP-BSC.
- ii. The exporter can submit the claims on prescribed format provided at *Annexure-XI*. Whereas, the nominated AD will forward the same to SBP-BSC as per format given at *Annexure-XII* in addition to submission of the summary of the submitted claims mentioned in clause (i) these procedures.
- iii. The cut-off date for filing claims to SBP for exports in each financial year is **31<sup>st</sup> May** of the subsequent year and after that no claims will be accepted by SBP-BSC.
- iv. Exporters not submitting claims under this provision latest by **31<sup>st</sup> May** of the subsequent year, will be considered to **have not achieved 10% increase** in performance year over base year. Any payment made under “Remaining 50% of the Rate Based on Export Performance During July-December” to such exporters will be got refunded by invoking provided guarantee. Similarly, refund will also be applied for exporters who submit the claim under this provision but their increase is less than 10% in any one or more categories. Such refund will be considered Category wise.

#### 4.4. Procedures to Claim Drawback by The Export Processing Zones (EPZ)

The units operating in EPZ will also submit their claims for drawback through the concerned bank branch of EPZ. The said claims will be processed under the same instructions issued for Pakistani Exporters, except for the differences enlisted as under:

- a) E-Form will be replaced by “Export Gate Pass” issued by the Manager Facilitation, Export Processing Zone as per prescribed format provided at *Annexure-XIII*.
- b) “Export Proceed Realization Certificate” will be substituted by the following:
  - i. SWIFT message
  - ii. Certificate of Receipt of Export Proceeds issued by the concerned bank branch of EPZ.

2. Date of shipment as per shipping documents must be from 01-07-2018 to 30-06-2021.
3. Shipped goods must include eligible HS Codes as listed in **Annexure II** to Ministry S.R.O.
4. Amount of Foreign Currency to be used: Lowest of the following three:

- a. Amount of EFE / EPZ Gate Pass
  - b. Declared Value on GD form
  - c. Realized amount
5. Any commission paid will be deducted from the amount obtained from 4 above.
  6. In claim of involvement of multiple categories in a shipment, amount obtained from 5 above will be divided into different categories in the ratio of assessed values on GD form.
  7. Applicable amount of Foreign Currency will be converted to PKR using the SBP DMMD WAR of the date of realization. <http://www.sbp.org.pk/ecodata/rates/war/WAR-Current.asp>

Besides, weighted average rate for multiple realization may be calculated by using following formula:

$$= \frac{( \quad 11) + ( \quad 22) + \dots ( \quad )}{( \quad 1 + 2 + \dots )}$$

For currencies not available in the DMMD WAR, Mark to Market Revaluation Ready rates may be used.

<http://www.sbp.org.pk/ecodata/rates/m2m/M2M-Current.asp>

8. From the PKR arrived at 7 above, freight and insurance amounts will be deducted. Gross amounts of the invoices are required to be deducted. In claim of multiple categories in a shipment, Freight and Insurance amounts will be proportionately divided into each category as done in 6 above. This will give Net FOB Value.
9. Applicable percentage of drawback will be applied on the Net FOB Value to arrive at the admissible drawback amount.  
Applicable percentage (%) = 50% of the rate of drawback given in **Annexure II** to Ministry Notification (%) + 2% (if export has been done to a country listed in **Annexure I** to Ministry Notification)

The units operating in EPZ will also submit their claims for drawback through the concerned bank branch of EPZ to its Central Hub Branch. The said claims will be processed in Central Hub Branch under the same instructions issued for Pakistani Exporters, except for the differences enlisted as under:

- a) E-Form will be replaced by “Export Gate Pass” issued by the Manager Facilitation, Export Processing Zone.
- b) “Export Proceed Realization Certificate” will be substituted by the following:
  - i. SWIFT message
  - ii. Certificate of Receipt of Export Proceeds issued by the concerned bank branch of EPZ.

**Procedure for Lodgment of Claims under Para 1-4(b) and 1-4(c) of Commerce Division's S.R.O. No. 711 (I)/2018 dated June 08, 2018 regarding Local Taxes and Levies Drawback (Non-Textile) Order 2018**

1. The claim under 1 (4) (b) and 1 (4) (c) will be lodged in consolidated form from a single Authorized Dealer (AD), even if the exporter has claimed drawback under 1 (4) (a) through multiple ADs.
2. Claim under 1 (4) (b) would be required to be lodged through the same AD through whom claim under 1 (4) (c) will be lodged.

7. These certificates in original along with consolidated claim will be provided to nominated AD as per format at **Annexure VI**.

**Annexure VII**

9. Only claims already paid / ready for payment (submitted to SBP BSC) till the date of claim will be included. Pending / discrepant claims, if any, will not be included.
10. The claim amount shall not include the incentive for non-traditional markets as the same has already been paid in full.
11. AD will process the claim within 15 days on FIFO basis from the date of receiving. Discrepant claims will be returned and will be considered as fresh in queue upon resubmission.
12. The exporter will also provide a Bank Guarantee in favour of the nominated authorized dealer (AD) to the effect that amount being paid to it under 1 (4) (c) will be refunded immediately upon demand by the AD in case it fails to achieve 10% or more increase in exports in any eligible category in performance year over base year. This bank guarantee would be required

by AD from claimant, when the SBP / BSC informs AD that submitted claim is found in order and specified amount of fund will be released upon confirmation by the AD that bank guarantee is arranged from claimant.

13. The Bank Guarantee will be kept by the AD submitting the claim till finalization of claim submitted under 1(4)(b). In case, refund is required (point 20), SBP BSC will debit the account of the AD which in turn will recover the amount from exporter as per Bank Guarantee.
14. Upon verification of claim, SBP BSC will pay the total amount of claim to the nominated AD for onward credit to the claimant within 24 hours of credit.

#### **CLAIM UNDER 1 (4) (b)**

15. For the purpose of claim under 1 (4) (b), data of two Financial Years would be required.
16. The data of claims submitted under 1 (4) (a) will be used to determine export performance. For this purpose, the concerned ADs will provide summary of submitted claims for the performance year on **Annexure VIII**. The nominated AD will forward these Annexure VIIIs along with it's own to SBP BSC. No other data will be required by SBP BSC for the purpose of base year. However, if claimant changes field office with respect to its previous performance year (currently base year), in that case AD and claimant both will mention the same in their request letter.
17. For the purpose of calculating export performance, the established practice of using net FOB values will be followed. Further, the increase will be calculated separately for each category i.e. claim under 1 (4) (b) will be evaluated separately for each category. The calculation method has been elaborated separately.
18. Format for the claim by exporter is provided at **Annexure IX**. Whereas, AD will forward the same as per format given at **Annexure X**.
19. The cut-off date for filing claims to SBP for exports in each financial year shall be 31<sup>st</sup> May of the subsequent year and after that no claims shall be accepted by SBP BSC.
20. Exporters not submitting claims under 1 (4) (b) latest by 31<sup>st</sup> May of the subsequent year, will be considered to have not achieved 10% increase in performance year over base year. Any payment made under 1 (4) (c) to such exporters will be got refunded by invoking provided guarantee. Similarly, refund will be effected for exporters who submit the claim under 1 (4) (b), but their increase is less than 10% in any one or more categories. Such refund will be considered Category wise. For example, if the exporter achieves 10% increase in Leather Garments but not in Gloves, only the payment obtained under 1 (4) (c) for Gloves claims will be got refunded. However, net receivable or payable claim amount against all categories will be calculated before finalization of claim.

#### **Calculation of Export Performance:**

1. For each export transaction, lowest of the following three foreign currency amounts will be used as basis of calculation:
  - a. Amount of EFE

- b. Declared Value on GD form
  - c. Realized amount
2. Any commission paid will be deducted from the amount above.
  3. In case of involvement of multiple categories in a shipment, amount obtained from above will be divided into different categories in the ratio of declared values on GD form.
  4. Yearly average of SBP DMMD WAR of the base year would be used for conversion of foreign currencies of both years (base and performance) into PKR. The rates for FY 2017-18 are given in **Annexure XI**. Whereas, yearly WAR for the subsequent FY will be communicated to central hubs of banks at the end of that FY through email.
  5. From the PKR arrived above, freight and insurance amounts will be deducted. Gross amounts of the invoices are required to be deducted. In case of multiple categories in a shipment, Freight and Insurance amounts will be proportionately divided into each category in the ratio of declared values on GD form. This will give Net FOB Value for each category of the export shipment.
  6. Net FOB values for all export shipments of a Financial Year will be summed up for each category separately.
  7. Yearly total Net FOB values for each category will be compared separately to determine percentage increase in each category.
