

# PAKISTAN LEATHER GARMENTS

**TRADE DEVELOPMENT AUTHORITY OF PAKISTAN**

# TDAP INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets.

TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions, trade delegations, conducts seminars and organizes contacts and information exchange events both physically as well on digital platforms.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

# PRODUCT PROFILE + HS CODE

Leather Garments is defined as garments and products made from tanned hides, pelts and skin of animals. The most common animal species used for clothing are cows, sheep and goats. Leather Garments is among top export sectors of Pakistan. Major destination of Leather Garments of Pakistan is European Union, USA and Russian Federation. With the emergence of e-commerce and growth of shopping websites, leather garments/goods’ exports may be marketed on new avenues. Leather Garments/products are treated as high value added products in apparel.
